

Valley Music Academy Scholarship Guidelines and Application

Valley Music Academy has scholarships which provide assistance for Tuition costs for Musikgarten and private studio lessons. Scholarship availability and amount of award is determined annually by grant funding and the state of Valley Music Academy's current financial budget. Scholarships are awarded based on financial need of the family and the musical progress, effort and potential of the individual student. VMA uses the Federal Poverty Level Guidelines in determining scholarship amounts. To apply a family must have an Adjusted Gross Income (AGI) of no more than 200 percent of the Federal Poverty Level. Scholarships are only available to students through age 17. To apply for a scholarship, please read this entire document, fill out the form completely, attach the required documents and return to the Valley Music Academy Office. Mail to VMA, P.O. Box 1712, Waynesboro, VA 22980.

Scholarships are only awarded for the fall and spring semesters. All scholarships awarded will end on June 30th, regardless of the date granted. **You must reapply for scholarships annually.** Scholarship applications are available for download at www.valleymusicacademy.org and must be submitted by the August deadline to be considered for the following year. Previous scholarship approval does not guarantee future scholarship availability.

If your family's financial situation changes, you must notify VMA immediately. The scholarship committee will review this information and notify you of any change, if any, in your scholarship assistance within four weeks. During this review time, the original level of scholarship aid will continue to be provided.

In addition to the general VMA Policies, scholarship students are required to abide by the following guidelines:

- Scholarship students will be placed on probation with the first unexcused absence during the semester.
- Two unexcused absences within a semester will result in termination of the scholarship. Refer to VMA Studio Policies for absence procedures.
- A valid credit or debit card authorization must be provided to VMA for monthly tuition and/or material payments. The student portion of the tuition will automatically be charged on or about the 10th of each month. Students who choose to pay by check or cash must pay the entire semester in full at the beginning of the semester.
- Private studio student practice time must be recorded and initialed by the parent. This practice record must be turned into the teacher weekly. If practice time does not consistently meet the teacher's expectations, the teacher may recommend termination of the scholarship to the Board of Directors Scholarship Committee.
- Private studio students are required to attend all VMA performance events. This includes faculty recitals and other sponsored performances.
- Private studio students are required to perform in the spring student recital.
- Scholarship recipients are required to participate in all requested VMA fundraising events or activities.
- Scholarship recipient parents/guardians or students are required to volunteer a minimum of 5 hours to VMA per semester. This may include providing services, assisting with events, and more. Please see Program Director to see how you may be able to volunteer to assist VMA. Failure to volunteer during the specified semester will result in the denial of future awards
- Upon scholarship award, the parent/guardian must sign the scholarship award agreeing to the terms and conditions listed here. Failure to sign and return the scholarship award will result in forfeiture of the scholarship.

Scholarships apply toward tuition only. The scholarship student's materials and/or registration fees must be paid by the student/parent. Every effort will be made to keep material costs at a reasonable rate.

Please sign below acknowledging that you have read and understand the above policies, and that the supplied information is correct and accurate.
